SUPPLEMENT

3 Point Media-Utah, LLC ("3 Point"), licensee of Station KBNZ(FM), Tremonton, Utah, by its counsel, hereby submits this Supplement to its Counterproposal, filed on November 18, 2002, in the above-captioned proceeding. In support of its position, 3 Point submits the following.

The 3 Point Counterproposal requested, in part, to delete Channel 285C at Tremonton, Utah and allot Channel 284C at Lyman, Wyoming, as that community's first local service. In support of its proposal, 3 Point submitted a gain/loss study demonstrating the proposed areas that Channel 284C will cover and the areas that Channel 285C will no longer cover as a result of the proposed relocation. No gray or white area would be created by the deletion of Channel 285C, and the move of Station KBNZ from Tremonton to Lyman.

Station KBNZ has recently been granted a license to operate at Tremonton on Channel 285C2. 3 Point is providing an updated gain/loss study, which demonstrates that the loss area resulting from the deletion of Channel 285C2 will be less than the loss area resulting from the deletion of Channel 285C at Tremonton. Moreover, since there are no changes other than a greatly reduced loss area (157,088 persons with respect to C2 operation compared to 514,292

persons with respect to C operation), there can be no different conclusion with respect to the absence of any white or gray area being created by the deletion of Channel 285C2. Since no white or gray area would be created by the deletion of Channel 285C, there can be no white or gray area created by the deletion of the smaller Channel 285C2. See Attachment (Gain/Loss area for Channel 285C2 and a copy of Gain/Loss area from Channel 285C included in the 3 Point Counterproposal) Therefore, the change of channel has no material impact on the KBNZ Counterproposal

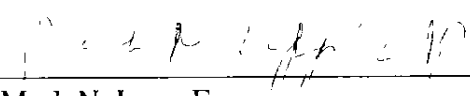

For the foregoing reasons as well as for the reasons stated in its earlier filed Counterproposal, 3 Point urges the Commission to process this proceeding expeditiously and to adopt a Report and Order implementing the 3 Point Counterproposal

Respectfully submitted,

3 POINT MEDIA-UTAH, LLC
